

REMARKS

This Preliminary Amendment is being submitted in response to the Notice to File Corrected Application Papers mailed on June 4, 2004. The Notice objected to the drawings insofar as the figures were not labeled with a consecutive Arabic numeral and capital letter of the English alphabet, as indicated in "Figure 7N".

The only reference to "Figure 7N" appears in the BRIEF DESCRIPTION OF THE DRAWINGS, on page 3, line 19 of Applicant's specification. This reference is clearly a typographical error and has been corrected by this Preliminary Amendment. This figure is now referred to as "Figure 7B" which was, in fact, submitted with Applicant's original application documents.

An early action on the merits of this application is respectfully requested.

Respectfully submitted,

Date: August 4, 2004
